## We Can Help Erase Medical Debt!

Medical debt is an economic justice issue. It causes people to cut back on necessities, lose needed medical services, and sink into a poverty trap.

Together with the other 600 churches across the new Southern New England Conference of the United Church of Christ, our church can help fight this injustice.

Working with the non-profit *RIP Medical Debt*, every \$100 our Conference collects through this initiative by April 17 will be used to eliminate \$10,000 in medical debt in some of the neediest communities in our region, including Springfield, MA, Bridgeport and Hartford, CT, and Providence, RI.

Our Conference has asked every congregation to contribute to this effort. Won't you help by contributing to our church's gift?
