

Justice Summit – Save the Date!

Saturday, September 24, 2022, 9 AM - 4:30 PM

First Church of Christ, Congregational ~ Glastonbury, CT

The 2022 Justice Summit is a one-day event hosted by the Southern New England Conference of the United Church of Christ to inform, engage, and offer opportunities for connection among people interested in issues of social justice. This year's Justice Summit will focus on racial justice.

The Justice Summit will include workshops during which attendees will work together to devise strategies to address racial justice concerns facing their local congregations or communities; a lunchtime plenary discussion between 2022 SNEC Theologians in Virtual Residence Rev. Dr. Diane Schmitz and Bishop Yvette Flunder; an afternoon focus on sustaining the work; worship elements; and more.

Each workshop will target a specific question or elevate a contemporary concern related to racial justice that Southern New England Conference congregations and members have identified as priorities. Workshops will invite participants to work together, sharing their expertise, experiences, questions and ideas to develop strategies for responding to these urgent concerns. Participants are expected to leave with plans for a way forward and relationships with others who also are working on this issue.
