RESOLUTION: CONFERENCE CENTER'S CAPITAL FUND DRIVE

WHEREAS this Conference in 1971 approved the conduct of a Capital Fund Campaign to secure funds to complete our Conference Center facilities and pay off their indebtedness, and

WHEREAS in the spring of 1972 such a campaign was mounted with a goal of \$300,000 to be raised from funds which would not otherwise be given to Our Christian World Mission, and

WHEREAS at the time of this 1972 Annual Meeting about half of the goal has been pledged,

NOW THEREFORE BE IT RESOLVED that the Conference reaffirms its purpose to pay off the indebtedness on our Conference Center facilities and provide them with the equipment needed to operate at optimum efficiency and economy, and

BE IT FURTHER RESOLVED that the Conference urges our churches and members to continue the effort to raise this money in the coming year, with a full report to be given to the next Annual Meeting of the Conference.
