Faith Formation Leadership Program

Mission:

The Faith Formation Leadership Program of the Southern New England Conference United Church of Christ seeks to fulfill its mission by:

- equipping leaders by making disciples of Jesus;
- promoting and sharing best practices for bringing new life as agents of change;
- fostering collegial community and relationships, forming covenant partnerships;
- and working together to make God's love and justice real.

Goal & Objectives:

The Faith Formation Leadership Program strives to meet the needs of all of our United Church of Christ faith formation leaders — paid or volunteer, bi-vocational, professional, part-time or full-time, called or employed — through theological and philosophical foundations alongside practical, experiential tools by

- ✓ affirming skills and capacities and matching them to the work of forming disciples;
- ✓ supporting participants in collaboration, networking, and relationship-building;
- ✓ identifying and supporting leadership styles; and
- ✓ promoting innovation, problem-solving, out-of-the box thinking, and adaptability.
