About Super Saturday

In 2010, Super Saturday was born. Super Saturday is a full day of worship, workshops, networking and fellowship.

The first Super Saturday had approximately 20-30 workshops and 400+ attendees. Today, the event has grown to 50+ workshops, a marketplace and over 1100 attendees annually from several New England Conferences and partners. Super Saturdays are now the largest attended learning based events after General Synod in the United Church of Christ.
